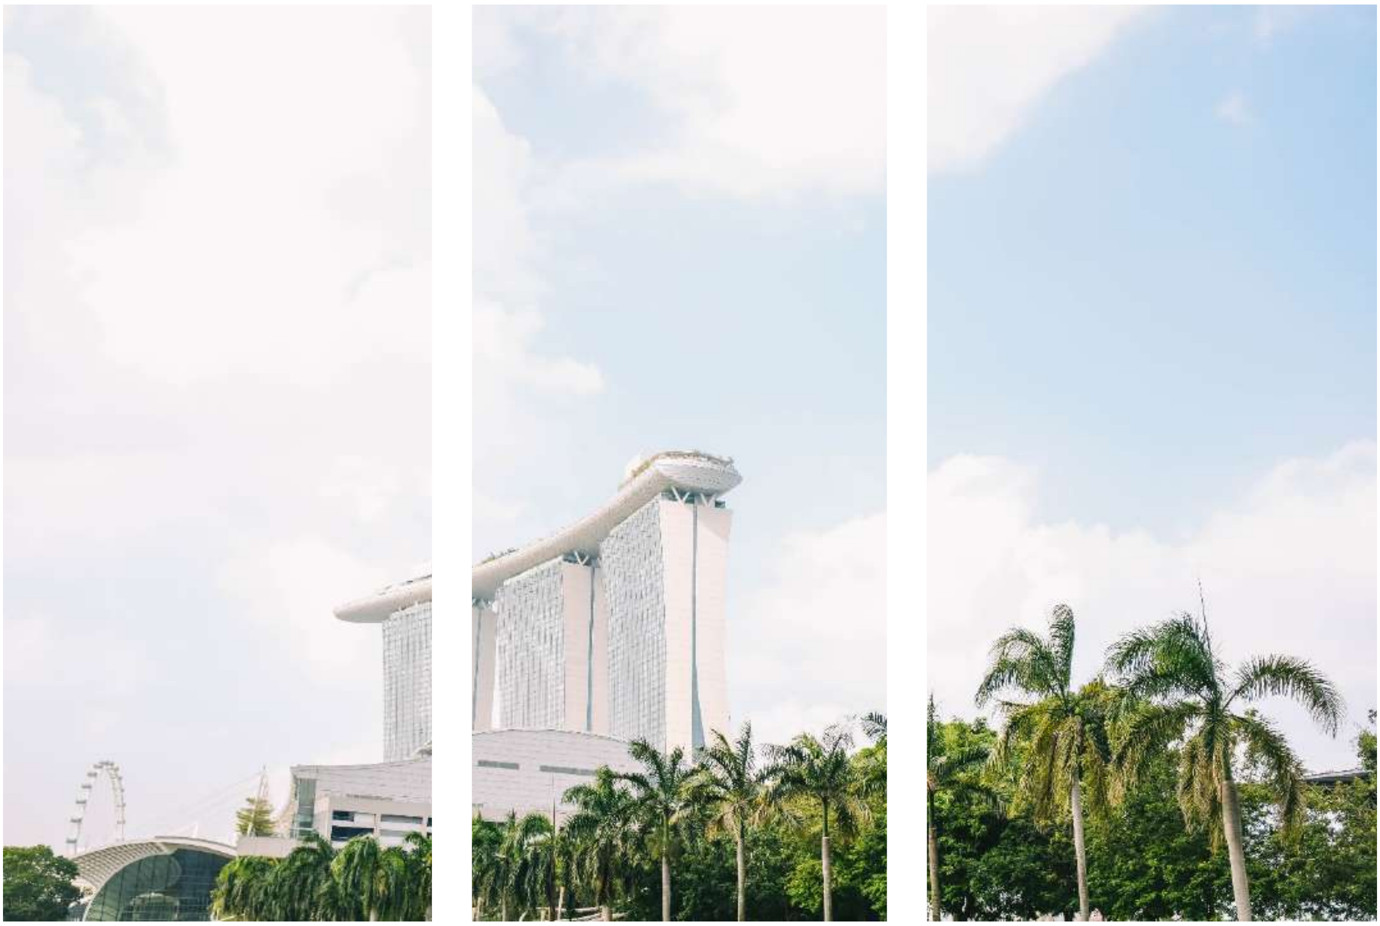
LPx | Asia 2024

1-2 February 2024
Four Seasons Hotel, Singapore



The Summit

LPx | Asia 2024 unites Asia's elite institutional investors and family offices, encouraging mutual learning, collaboration, and innovation, while a curated set of global GPs showcase unique investment opportunities and perspectives.

The LPx Asia Summit is an essential business event for institutional investors and elite family office representatives looking to stay ahead in the dynamic realm of private markets investing.

Over two days, delegates have the opportunity to:

- Forge valuable connections with like-minded institutional investors and family offices, fostering collaboration.
- Gain insights from your peers navigating the intricacies of investments, and the nuances of regional collaboration.
- Engage with global GPs to explore distinctive investment avenues and strategies.

The summit is hosted by Connect Group, a world-leading business events and conference organizer renowned for its specialized focus on family office and institutional gatherings. Connect Group ensures a fusion of global perspectives and regional expertise.

High-level

The Summit boasts an elite audience comprising of top-tier investment leaders from institutional asset owners and family offices from across Asia-Pacific.

Exclusive

A minimum 70% of the event delegation consists of LP's, and a maximum 30% of GP's, ensuring a less-commercial, highly exclusive event with LP-led dialogue, and an environment that promotes effective relationship-building between participants.

Veronika Linardi

CEO
Togs Capital (SFO)

Veronika Linardi, a serial entrepreneur and founder, has carved a distinctive path in the world of business with a profound commitment to sustainability. As the driving force behind her Single Family Office, she has set her sights on alternative investments in high-growth emerging markets. Sustainability is at the heart of her investment philosophy, aligning perfectly with the global shift toward responsible business practices.

At the forefront of her endeavors is the establishment of a highly profitable tech-enabled ecosystem in Southeast Asia. This expansive ecosystem spans critical sectors, encompassing Electric Vehicles, logistics, supply chain management, and commerce infrastructure. Veronika's entrepreneurial acumen shines through in her relentless pursuit of innovation and excellence.

Beyond her entrepreneurial ventures, Veronika co-founded one of Indonesia's largest Human Capital development companies. This transformative initiative has not only impacted the lives of millions but has also played a pivotal role in shaping Indonesia's future workforce. Her dedication to talent development and education underscores her commitment to building a brighter future.

Selected as a Young Global Leader by the World Economic Forum, her accolades also include being named "Forbes Indonesia Powerful Women," "Her World Women of the Year," "Globe Asia Most Inspiring Women of the Year," and the UBS 'Celebration of Indonesian Women' award.

Veronika holds a Master's degree in Strategic Digital Marketing & Management Information Systems from Carnegie Mellon University and Bachelor's degree in Advertising from the University of Texas at Austin.

Strengthening the LP-GP Relationship

Carman Chan

Founder & Managing Partner
Click Ventures (SFO)

As one of the top 5 Women to watch in Asia Tech (Nikkei Asian Review), Carman Chan is a veteran in the technology industry with decades of experience as an entrepreneur with multiple exits, a tech columnist and a globally recognized venture capitalist as well as investing in other emerging managers as an LP actively.

Carman began her entrepreneurship journey when she was at university. In order to pursue her passion for the newly emerging Internet, she passed up a fully sponsored Ph.D. from Imperial College to become a serial Internet entrepreneur. Carman's first company, English Street was acquired by HKET(0423.HK), a Hong Kong listed newspaper group. Her second company was merged with Hiiir in Taiwan and later acquired by FarEasTone (4904.TW).

Carman is also a best-selling book author for several accelerated learning books. Spending eight years as a tech columnist for IT magazines, she wrote about internet business models and internet marketing strategy.

After several successful exits Carman started Click Ventures, her angel fund. With a focus on providing seed to series A investment to technology startups, Click Ventures is differentiated by offering mentorship from entrepreneurs with over twenty years of first-hand experience.

Click Ventures has grown into a leading venture capital fund, and named as one of the Most Consistently Top Performing Venture Capital Fund by Preqin in 2021, 2019 and 2018 respectively with all three funds in the top quartile!

Since 2019 Click Ventures has transformed into a Single Family Office and in 2022, Click Ventures' new Impact Initiative was selected by World Economic Forum as one of the 17 Top Innovative Funds globally.

Click has close to 50 investments including Spotify.com, Docusign, Palantir.com, Memebox.com and Youappi.com. Due to her deep experience, Carman is frequently invited to speak or serve as a panel member for prestigious events around the world.

Carman has been active in investing in emerging VC managers and have started to focus on this in 2021. Carman has invested in ten emerging VC funds so far including Sogal Ventures, Spartan Ventures, Shima Capital

Kamran Khan

Managing Director, Head of ESG, Asia-Pacific, Middle East & Africa
Deutsche Bank

2nd February
09:00 - 09:50

Panel Discussion:

ESG: Navigating Performance and Compliance Challenges

Kamran Khan is Deutsche Bank's Group level-Head of ESG in Asia Pacific. He established and heads Deutsche Bank's ESG Centre of Excellence (COE) in Singapore. The COE works with coverage and product teams to engage clients and execute ESG transactions which meet global ESG standards while addressing the unique challenges in APAC. The COE houses cross-divisional expertise covering all areas of sustainable finance, including ESG-linked and aligned bonds, loans and derivatives as well as ESG due diligence for M&A transactions. Mr. Khan is a member of Deutsche Bank Group's Global Sustainability Steering Committee.

Prior to joining Deutsche Bank, Mr. Khan established Infra-Tech Capital, an impact fund investing in companies utilizing technology to provide infrastructure services and achieve UN Sustainable Development Goals. He was previously appointed by the Obama White House to serve as the head of global investments and operations at the US Millennium Challenge Corporation, where he led a USD 1.5-2bn annual investment program globally with responsibility for returns as well as impact.

Mr. Khan previously held senior executive roles at the World Bank and helped establish the World Bank Group regional hub in Singapore, comprising the World Bank, International Finance Corporation (IFC) and Multilateral Insurance & Guarantee Agency (MIGA). Prior to his time at the World Bank, Mr. Khan worked on M&A transactions and advisory mandates at JP Morgan and LEK. He also served as a US Foreign Service Officer with the US Agency for International Development (USAID), where he led operations for the project finance and guarantees facility.

Mr. Khan served as an Advisor on Infrastructure Finance to APEC, ASEAN, and the G-20. He has also served on the Board of Advisors at a variety of market-leading companies using technology to achieve ESG goals. He is a frequent speaker at events such as World Economic Forum, UNFCCC Conference of Parties (COP), APEC Summits, and in major international media.

Mr. Khan holds an MBA from the Booth School of Business at University of Chicago, and an MS in Applied Economics and Master of Government Administration from the University of Pennsylvania. He received his BS in Economics from George Mason University.

Srini Nagarajan

Managing Director & Head of Asia
British International Investment (BII)

Srini joined British International Investment in 2013 to lead the Asia team under the organisation's new investment strategy. He has the distinction of having been our first overseas employee and recently moved to Singapore to lead BIIs expansion into the Indo-Pacific region. He has been instrumental in building a high-quality portfolio in the region, which focuses across products and sectors.

Under his leadership, BII has a strong presence on the ground and the team has made successful investments in the financial services, healthcare, logistics and renewable energy sectors – including the creation of BII subsidiary Ayana Renewable Power in India, a pioneer renewable energy developer. His role includes support in origination, execution, and management of the portfolio for delivering development goals and value. In addition, he is building BIIs presence in the Southeast Asian markets with a focus on Climate change.

Srini started his career with Standard Chartered Bank both in India and Southern Africa, before joining British International Investment in 1996. He has managed leasing companies in Africa; in India he managed legacy assets for value before moving into mainstream private equity investing for both British International Investment and Actis.

He has a Master's degree in Economics and a post-graduate qualification in Business Administration from Warwick School of Business.

Climate Change: Investing in a Sustainable Future

Veiverne Yuen

Founding Partner
Blauwpark Partners

Veiverne is one of the Founding Partners of Blauwpark Partners. He has extensive experience in institutional Asset Management, particularly in relation to alternative assets. He also has a deep understanding of the nuts and bolts of asset management including a strong regard for good governance and compliance, having begun his career in financial services and investment management in 2005 with the Monetary Authority of Singapore as a regulator, focusing on fund management and other capital market intermediaries.

Subsequently, Veiverne joined Rabobank in 2007, where he led M&A and advisory transactions for clients from both Asia and Europe. Among the Asian clients he served, a number were large family-owned businesses and Veiverne gained not only an understanding of the mergers and acquisitions space, but also the intricacies that allowed these families and their businesses to be persistently successful across generations. During this time, Veiverne also championed ESG early initiatives in Asia and represented Rabobank as a member on the inaugural Roundtable for Sustainable Palm Oil (RSPO).

In 2010, Veiverne's joined GIC. In addition to leading investment selection and due diligence for alternative fund investments and direct investments, Veiverne was also responsible for helping to determine the strategic asset allocation, portfolio construction and managing capital budgeting for the PE, VC and infrastructure portfolio. He also oversaw regular reporting to the Board and the client for these asset classes. Veiverne brings a practitioner's insight to the implementation of endowment style models to manage long term pools of capital seeking meaningful capital appreciation over the long term.

More recently, Veiverne was a co-founder of tryb Group, a principal investment firm focused on financial services and financial technology investments in Southeast Asia. He holds a MSc in Applied Finance from the Singapore Management University and a MEng in Aeronautical Engineering from the University of Bristol.

Jamus Lim

Associate Professor of Economics
ESSEC Business School

Jamus Lim is an associate professor of economics at ESSEC Business School, one of the top business schools in Europe, and a member of the 14th Parliament of Singapore, representing Sengkang. Previously, he was the chief economist of the ThirdRock Group, an investment management and wealth advisory, a lead economist at the Abu Dhabi Investment Authority--where he oversaw economic inputs underlying tactical and strategic asset allocation for the sovereign fund's multi-hundred-billion dollar portfolio--and before that, a senior economist with the World Bank, where he led a number of initiatives on macroeconomic forecasts, along with analysis of trade, finance, and governance issues in East Asia, the Middle East, and Africa. His research expertise and interests lie at the intersection of international macro-finance, political economy, and development economics, and his work has appeared in leading academic journals such as the Journal of Monetary Economics and Journal of Money, Credit, and Banking, along with policy flagships such as the World Bank's Global Economic Prospects and the joint IMF-World Bank Global Monitoring Report. A seasoned communicator, his ideas have been featured in print media such as the Financial Times and Straits Times, and he also regularly shares his views on radio and television outlets, including the BBC, CNA, and CNBC. An old Rafflesian, he graduated with first-class honors in economics from the University of Southern Queensland, and went on to graduate work at the London School of Economics, the University of California, and Harvard University. In his wild, impetuous youth, Jamus was variously a drummer, rugby player, and Solitaire junkie; today, his more mundane pursuits have led him to the trails, gym, kitchen, and cellar (typically in reverse order).

Private Equity: Opportunity Meets Risk

connectgroup

Thursday, 1 February 2024

08:00 - 09:00 Registration & light breakfast

09:00 - 09:10 Chairman opening remarks

09:10 - 09:50 **The Interplay of Macroeconomics and Geopolitics for Private Market Investors**

Moderator:
Sarah Jane Mahmud, Senior Analyst, ASEAN Financials, **Bloomberg Intelligence**
Panellists:
Vincent Au, Chief Investment Officer, **ALPS Advisory** (MFO)
Jamus Lim, Associate Professor of Economics, **ESSEC Business School**
Alex Holmes, Lead Economist, **Oxford Economics**

In this discussion we explore how the current geopolitical and economic climate is influencing private market investors, distinguishing this cycle from previous high-inflation periods. It will explore strategies within private markets that could serve as effective hedges against long-term inflation.

09:50 - 10:30 **Private Equity: Opportunity Meets Risk**

Panellists:
Wendy Zhu, Managing Director, Global Head of Primary Fund Investments, **AlpInvest Partners**
Marshall Allen, Managing Partner, **Viburnum Funds**
Deborah Mei, Co-Founder & Partner, **The Raine Group**

What strategies are defining Private Equity success in diverse markets, and how are regulatory shifts shaping the landscape, particularly in Asia? The panel will explore the dynamics and opportunities in the secondary PE market and discuss the pivotal role of LP-GP relationships in securing elusive, high-value deals.

10:30 - 10:50 **The Metals Intensity of the Energy Transition: How to Best Gain Exposure on the Pathway to Net Zero?**

James O'Mahony, Partner, **Viburnum Funds**

10:50 - 11:30 Networking break / one-to-one meetings

11:30 - 12:10 **Climate Change: Investing in a Sustainable Future**

Moderator:
Stella Saris Chow, Head of Sustainable Finance, International, **ANZ**
Panellists:
Srini Nagarajan, Managing Director & Head of Asia, **British International Investment (BII)**
Jackie B. Surtani, Regional Director & Head of Singapore Office, **Asian Development Bank (ADB)**
Henry Soediarko, Director, Head of Portfolio Management, **Milltrust International**

How can we effectively balance climate-conscious strategies with portfolio diversity, align with the Paris Agreement, and navigate the challenges of transitioning to a net-zero portfolio? This panel will evaluate climate-related risks and mitigation best practices and delve into sectors and asset classes that offer tangible positive climate impacts, discussing ways investors can contribute to global sustainability while pursuing returns.

12:10 - 12:30 **Driving the Energy Transition Through Early Stage Renewable Investments: An Investor Perspective**

Conor McCoole, Co-Founder & CEO, **SC Oscar Fund Management**

12:30 - 14:00 Networking lunch

Thursday, 1 February 2024

14:00 - 14:40 **Diversification Strategies in a Volatile World**

Moderator:
Nishtha Asthana, Financial Journalist
Panellists:
Ashish Goyal, Executive Vice-President, Head of Asia-Pacific, **OMERS**
David Chua, Chief Investment Officer, **Income Insurance**

How can investors navigate the volatile landscape by leveraging alternative assets for diversification and hedging against market downturns? This panel will examine the balance between risk and reward in diverse portfolios, dissecting the roles of cyclical and structural changes in shaping effective diversification strategies. It aims to provide insights into managing portfolio stability in uncertain economic times.

14:40 - 15:20 **The Expanding Role of Private Debt in Global Portfolios**

Panellists:
Veiverne Yuen, Founding Partner, **Blauwpark Partners**
Yogiraj Nadgauda, Director, **RDA Investments (Singapore)**
Sean Pepper, Managing Director, **Tor Investment Management**

Why is private debt becoming an increasingly attractive component in global investment portfolios? This panel discussion will explore the growing interest in private debt, key considerations for cross-sector diversification, and emerging strategies beyond distressed debt and special situations. It will also look ahead, contemplating future shifts in asset allocation strategies within the private credit sphere.

15:20 - 15:40 **Asian Special Situations Opportunities for Family Offices & Institutional Investors**

15:40 - 16:00 **Networking break / one-to-one Meetings**

16:00 - 17:00 **Roundtable Discussions**

Table 1: How a Positive Impact is Achieved Through Value-Add Office Real Estate Investments in a New World
Linda Koster, CEO, **CK Capital Partners**
Table 2: Introduction to SSV SmartPay and SSV RealEstate - Journey of SSV Capital’s Growth as a Disruptive Asset Manager
Ankur Ghosh, Founder and CEO, **SSV Capital**

17:00 - 17:40 **Strengthening the LP-GP Relationship: Transparency, Trust, and Alignment**

Panellists:
Sean Low, CEO & CIO, **Golden Vision Capital**
Katalin Gallyas, Managing Director, **c*funds**
Carman Chan, Founder & Managing Partner, **Click Ventures**

Exploring the critical facets of the LP-GP dynamic, this discussion will delve into enhancing transparency and building trust through effective communication. It will address the art of structuring fees, terms, and alignments, alongside the significance of co-investment strategies in solidifying LP-GP relationships.

18:00 - 20:00 **Networking cocktail reception**

Friday, 2 February 2024

09:00 - 09:50 **ESG: Navigating Performance and Compliance Challenges**

Moderator:
